ORDER:

In the reference read above, the Commissioner of Industries, Vijayawada while narrating the importance/essential aspects and need for exempting the Staff of the Industries Dept., from all other duties at the District level on par with other Revenue earning departments, has requested the Govt., to issue enabling order exempting the Industries Dept., from any other work at the District Level.

2. The Government have observed that the staff of Industries Department are being engaged as special officers for various programmes of other departments at the district level, which is adversely affecting the performance of the Industries Dept., at the District level and decided to exempt the staff of the Industries Department from all other duties at the district level on par with the revenue earning departments like Commercial taxes dept etc, since revenue creation is the mandate for the Department and in view of the heavy work load in assisting investors, processing incentive claims etc.

3. Government after careful examination of the matter, hereby order exempting the staff of Industries Department from all other duties at the District level on par with other Revenue earning departments.

4. The Commissioner of Industries, Vijayawada and all the District Collectors in the state shall take necessary action in the matter accordingly.
